Win criteria

Choose 1 or modify 2

1. Straightforward win if you have moreimps that the other team
2. Either team needs to score 10 or more IMPs than the opponents to get a win. Less than that, a margin of 9 or fewer, is a draw.

Recording the score

The scoring is still 1-0 for a win, 1/2-1/2 for a draw and that is determined by the number of IMPs each team accumulates over the number of boards played.
