

Macedon Ranges Bridge Club (MRBC)

Personal Information Updates, Additions and Corrections

This personal information checklist will enable us to ensure that the MRBC and Australian Bridge Federation (ABF) databases are current and correct.

By providing us with the following information, updates, additions or corrections, you consent for this information to be added to the MRBC database.

Should you have any concerns or queries in regard to the privacy of your information or how your information is used, please refer to the information and links provided on the Privacy Policy page of the MRBC website or contact a committee member for assistance.
