

Michael Callan

On the 16th of November 2019, we lost Michael, a dearly loved member of our club.

He played bridge 5 nights a week, and I had the privilege of playing with him on Wednesday nights for many years.

I'm sure his co-players on the other nights enjoyed his never-ending repertoire of jokes, as I did.

Michael was a perfect gentlemen and always great fun. Sometimes he gambled with his hand, and would throw me a cheeky wink if he got away with it.

He will be sadly missed by everyone, especially his wife Mary and family.
