The board voted unanimously that only bridge, Salvation Army, and Unit announcements are to be made during bridge sessions.

All other announcements can be made before 10 o'clock and after the game. Information can be placed at the directors table for those interested.

Jyoti said that by-laws, minutes, and financials are on the web site and available to all club members.

Dan returned bidding boxes for credit and Karen said the unit might have some available.

Beverly Yoehle asked Karen to be responsible for Salvation Army bell ringers. Karen said she would volunteer to take one shift but we still need two more.

Jim spoke with a Salvation Army employee and was told we could use the chapel, however, they are looking for another location for the gifts. Jim will get confirmation.

Karen asked about a Christmas party with sandwiches and cookies and convention cards. It was tabled until Jim gets confirmation from Salvation Army.

Respectfully submitted,

Jackie Hertweck
