Hi all,

I believe the Christmas Party went well, so if anyone gets any feedback (positive or negative) or suggestions, please make a note and pass it on.

As far as financials are concerned, attached spreadsheet shows all. We had 60 players (15 tables) including Brian who played with Jon Shute after I double-booked him and Al Mitchell to play with Bill McNichol - lol, but Jon deserves a handicap anyway.

I will take the cash to pay for my expenses and hand over the \$152 to the director this Monday.

Brian, you can take your \$50 fee out of that cash.

Al, can you have a cheque cut for \$1116 (based on 62 meals as advised to the KofC on Friday night, even though 2 of these were fictional in our number-chasing exercise)? You can call Ray to get the exact name of the organization or just leave blank and we can write that in on Monday after talking to Ray.

Bottom line is that we earned \$187 for the club - excellent result in my humble opinion.

Food donations for the food bank were left at the door and the KofC will bring to the Foodbank on Monday.

The table decorations have been boxed for storage for next years' party. Thanks to Sharon Hoyt for table decorating.
