The Monday Club, Battersea  
Hi Sati McKenzie

Dear Monday Club Member

The Monday Club is back! Although we have all been aware of other possibilities of playing online bridge, during these crazy times, the Committee has recently been looking into how we could best organise an online game for our members.

On Monday, we had a trial run of seven tables playing on Bridge Base Online that seemed to go rather well. We shall try and organise future events so that each member is aware of the need to upload a Convention card, and of the need to self alert conventional bids; and most people thought that 24 boards was too many and that 18 would be better. But apart from minor issues like that, the session worked well and for those who are missing your bridge, this will fill the gaping void in your life!

We are therefore going to run Monday Club sessions of 18 boards at 7pm every Monday. The trial run was using IMPs scoring but future events will generally be match pointed pairs scoring. Initially Sati will be directing, but in time we hope to have our usual rota of directors running events.

We shall start with a time allowed of 8 minutes per board that may be reduced to 7 minutes if 8 proves to be too long.

Anyone wishing to play will firstly have had to open an account with Bridge Base Online and have obtained a user name. They will also have had to pay enough monies into their BBO account, to pay for the cost of the bridge session which will be \$4. Please contact Marcia ([marciam@talktalk.net](mailto:marciam@talktalk.net)) if you did not play last Monday but would wish to play on any future Monday, and give her your user name and EBU number.

If you are new to BBO, there is some guidance on the MC website about how to use it. Otherwise, please ask a member of the Committee.

We intend also to run a second session on a future day and time to be determined.

We hope to see you next Monday!
