

## **Catriona Lovett: Reflections from Members of Mountnessing Bridge Club**

We are saddened to announce that long-standing Club member Catriona Lovett died on Thursday 25th March 2021. Catriona had been a member of the Mountnessing Bridge Club for as long as anyone can remember, and enjoyed significant success in the Club's various competitions. Even though for some years she had obvious physical limitations and discomfort, she always offered a cheery welcome to her table, and her smiles and quips were infectious. She will be sadly missed by all, but most especially by her husband, John.

*I am very sorry to hear this terrible news, surprisingly she had a great sense of humour. I will certainly miss her presence at the club. Please let me know of any funeral arrangements.*

### **From Simon Moorman**

*Catriona was a good friend to me especially through the difficult times I had a number of years ago. She always had a ready smile and will be sorely missed. At least she is no longer in pain now.*

### **From Dave Warren**

*Catriona was my Tuesday night partner for more years than I care to remember. A lovely partner and an optimistic bidder which she more than justified by her excellent card play. Always plagued by ill health but I will miss her enthusiasm for the game we all love.*

*P.S. Was only a few years ago that Catriona went line dancing with my wife Maggi. Not a great success but she was always up for a challenge.*

### **From Dennis Valtisiaris**

*Very , Very sad for me.*

*Please let me know if and when you know what the funeral arrangements are.*

### **From Ann Steel**

*So sorry to hear this sad news of Catriona's passing. Please add my name to any condolences being sent from the club.*

### **From Dorothy Cundy**

*I shall miss Catriona so much. She was very welcoming to me when I first joined the club, and her company and helpfulness both on and off the bridge table contributed greatly to making the Bridge evenings at Mountnessing enjoyable for us all. Rest in Peace, Catriona.*
