

New Partnership Process - Self-Serve!

Naples Bridge Center has implemented a new, more efficient, and more automated process for finding a partner or looking for one. Here's how it works.

We have posted a public Google Calendar in the Partnership section of the NBC home page (right side). You can find it here:

NEED A PARTNER?

NEW!! Looking for a partner? We have a new, self-service process. Read all about how it works here: ***NBC Partnership Process***

Click here to view the partnership calendar and see who is available and looking: ♥ **Partner Calendar** ♥

Still need a partner? Want to post your name on our calendar? Click here: nbcpartnerships@gmail.com, (or just send an e-mail to nbcpartnerships@gmail.com) and provide your name, e-mail or phone number, date(s) you're looking to play, and your approximate number of Masterpoints. The Partnership Coordinator will add your name to the public calendar.

First, click on the calendar, check the date you're looking to find a partner, and see if anyone is listed on that date. If you'd like to ask that person to play, you can e-mail or call them directly (member e-mails and phone numbers are posted in the membership online directory – in the upper left corner of the NBC home page).

If you want to add your name to the online partnership calendar, simply e-mail nbcpartnerships@gmail.com and provide your *name*, *date(s)* you're looking for a partner, and your approximate *Masterpoint total*. The Partnership Coordinator will add your name to the Google Calendar, so everyone can see it listed.

You can even **CLICK** on the link to automatically open an e-mail to the Coordinator, add your information, and hit send. The link to automatically open an e-mail is right below the calendar link (here):

NEED A PARTNER?

NEW!! Looking for a partner? We have a new, self-service process. Read all about how it works here: ***NBC Partnership Process***

Click here to view the partnership calendar and see who is available and looking: ♥ **Partner Calendar** ♥

Still need a partner? Want to post your name on our calendar? Click here: nbcpartnerships@gmail.com, (or just send an e-mail to nbcpartnerships@gmail.com) and provide your name, e-mail or phone number, date(s) you're looking to play, and your approximate number of Masterpoints. The Partnership Coordinator will add your name to the public calendar.

Alternatively, you can text the Partnership Coordinator at the number shown on the website, provide the same information (name, phone number, dates, Masterpoints), and the Coordinator will post the info to the calendar.

Need to take your name OFF the calendar? Just e-mail (or text) the Partnership Coordinator and ask her to remove your name on the days you specify.

PLAN AHEAD – get your name posted on the calendar on days you're available to play, so others can find you.

We hope this process is faster and easier for everyone to see who is “looking for a partner” and eliminates all the cumbersome phoning back and forth that is inefficient and slow.

Have questions? Just e-mail the Partnership Coordinator and ask!
