- a) the Club website advertises the sessions;
- b) players are contacted using the Club's email/phone database

then the activity is *prima facie* a Club event and UMS should be paid.

That there was no option at present but to abandon planning for 20/21. As and when the situation changes this would be revisited as a matter of the utmost urgency (noting, especially, the need for a resolution to the issue of the format of the Pachabo qualifiers).

Agreed

That there was no option at present but to maintain the postponement of the May 2020 AGM.

The Secretary would, through circulation of these Minutes, alert all Clubs that the AGM is postponed *sine die*.
