

NEBA HISTORICAL ARCHIVE

Working Draft – Version 4

North Eastern Bridge Association
and its predecessor,
Northumberland & Durham Contract Bridge Association

Prepared as a simple working archive for Committee consideration

How this draft is organised

The purpose of this draft is to keep the historical material together in one place while making a clear distinction between the official minute book and supporting reference material.

1. MINUTE BOOK	2. REFERENCE MATERIAL
Original minute-book images followed by a readable working transcription, arranged chronologically.	Photographs, newspaper material, later histories, correspondence and research notes.

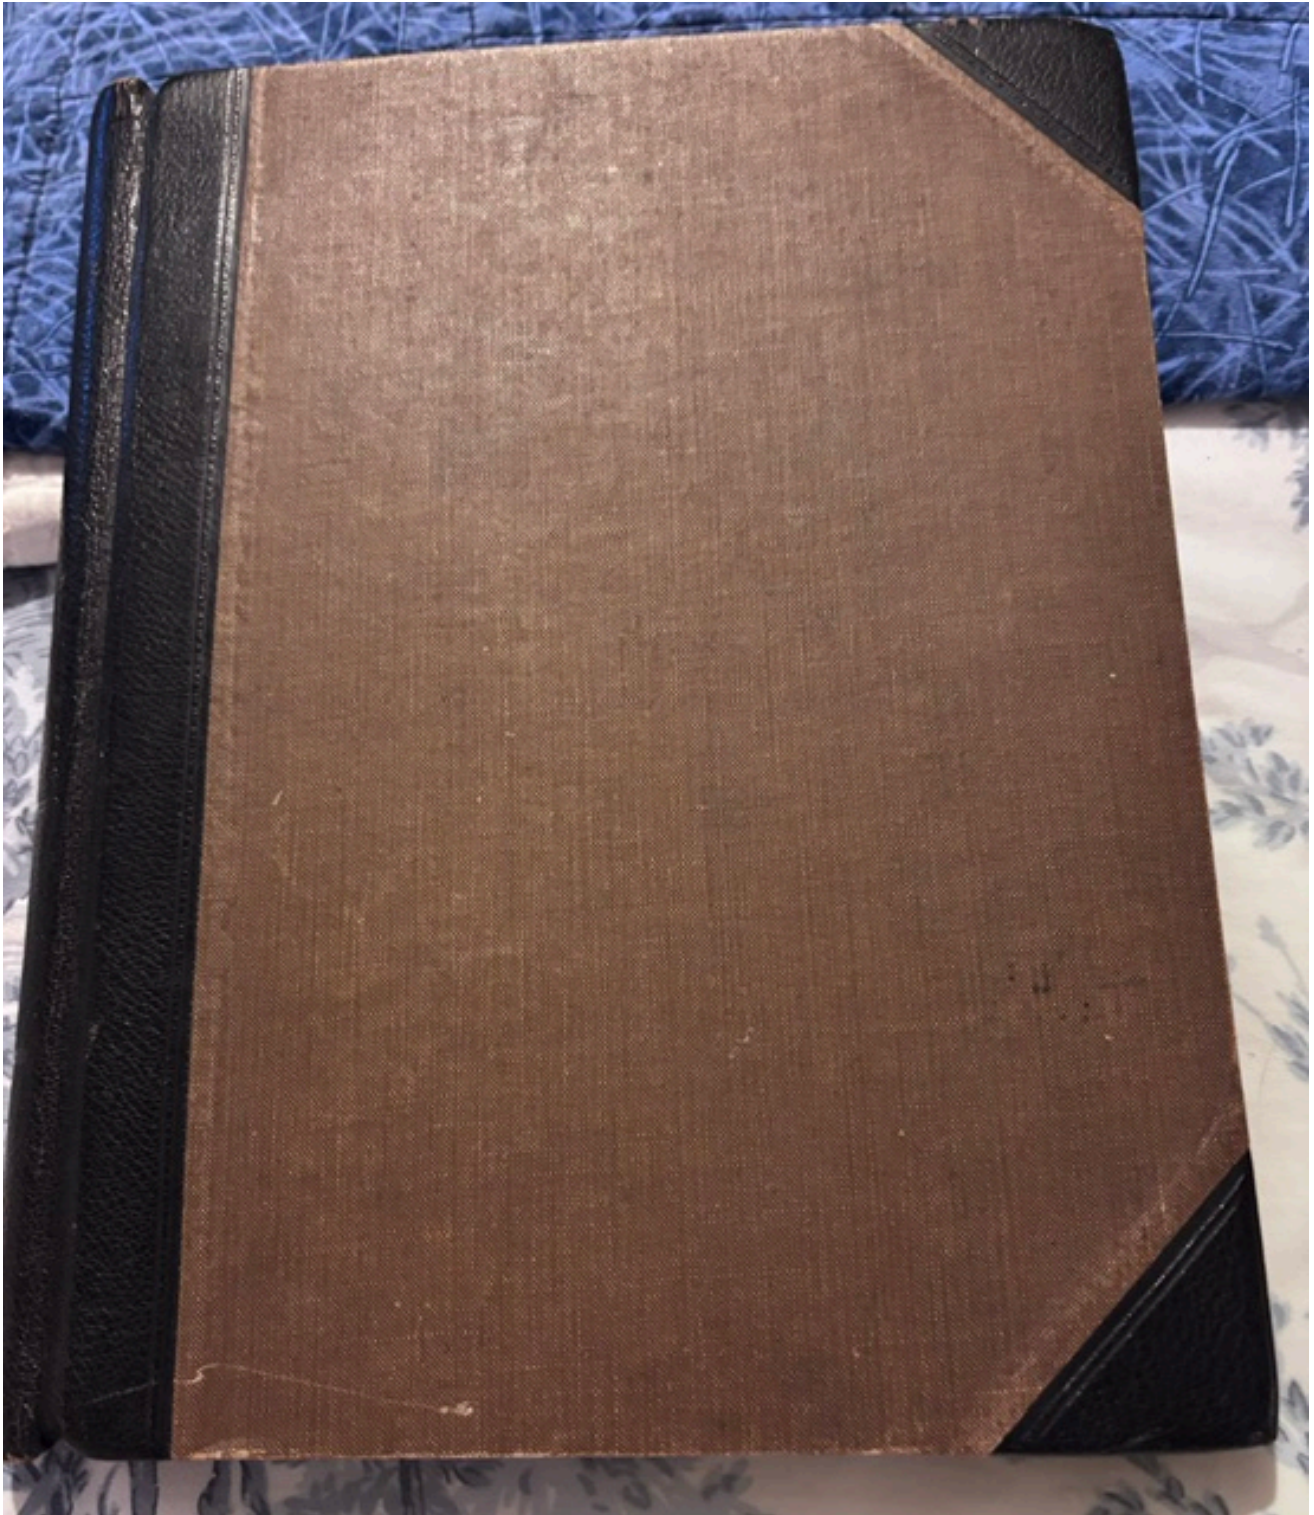

The original images are retained as evidence. Transcriptions and explanatory notes are kept separate so that later interpretation does not silently alter the historical record.

Opening. The inaugural meeting of the Northumberland & Durham Contract Bridge Association was held in the Chronicle Hall on Wed. May 1st 1935 at 6.30 p.m. About 100 were present.

Chairman. Mr. D. Summerfield proposed, and Mr. J. J. Wraith seconded, that Capt. Ewart Kempson take the chair. Carried unanimously.

Aims. Capt. Kempson briefly stated that the aims of the Association were to encourage the game among all classes in Northumberland, Durham & Cleveland; to foster the formation of local Associations; choose representative teams; promote competitions; and above all healthy fellowship.

Chronicle trophies. The Hon. Secretary read a letter from Mr. V. Ewart Berry stating that the Chronicle were willing to hand over to the Association the cups presented for (a) the North v. South Contest and (b) the North of England Pairs Championship, conditionally on the Association keeping the cups in good order and insuring them, and provided that the entire proceeds from (b) be handed over to the Chronicle Sunshine Fund. The entrance fee for the event was to remain at 2/6 per player (5/- per pair).

Kempson trophy. He also read a letter from Capt. Kempson stating that he was willing to hand over the cup presented for the Northumberland & Durham Team Championship, also on condition that it was kept in good order and insured.

Thanks. The meeting passed a vote of thanks to the donors and the Secretary was instructed to write thanking them.

Officers and Council. Mr. V. Ewart Berry was unanimously elected President. The manuscript then records the election of other officers and Council members. Some names and initials remain difficult to read and should be checked against later contemporary records before the transcription is treated as final.

Subscription. A proposal that the annual subscription be five shillings was followed by an amendment that the subscription be two shillings and sixpence. The amendment was carried by a large majority.

League. A discussion took place on the practicability and advisability of running a league. On a show of hands there was a large majority in favour, and the Council was instructed to ask for entries.

Rules and close. The Council was empowered to draft a set of rules and submit them to a general meeting for approval at an early date. A vote of thanks to the Chairman concluded the proceedings. The final page is signed and dated 29.5.35.

Working transcription / notes

The Annual General Meeting was held in the Chronicle Hall on Wednesday 9 September 1936 at 7.00 p.m., with Capt. Kempson in the chair. The minutes of the previous meeting were read and confirmed.

The Secretary reported membership of 644 at 31 December and described the first year as satisfactory, with membership increasing strongly towards the end of the year. Competition entries were reported as

satisfactory; a cheque for £24 from the Pairs Championship had been handed to the Sunshine Fund; and the League was described as a great success.

The Treasurer reported a credit balance of £25-2-2 at 31 August. The Chairman reviewed the Association's aims, referred to its link with the English Bridge Union, and presented a proposed programme for the 1936–37 season. Rules were reviewed and officers and Council were elected.

The final page records recommendations to the Council, including co-opting members where towns were not represented, holding tournaments outside Newcastle, appointing collectors/canvassers where membership was unsatisfactory, and giving a ruling on whether the season in Northern places should be kept at any stage of the match. The meeting concluded with thanks to the Chairman.

Transcription note: this is a working reading of the manuscript. Names and uncertain wording will be checked as the archive develops.

H. G. Wood's note on the collected newspaper cuttings.

The note explains that the file contained newspaper cuttings concerning the formation of the Northumberland & Durham Contract Bridge Association in 1935, and that the title was altered subsequently to the North Eastern Bridge Association. It also records that some press clippings originally in the file appeared to have been extracted and not replaced.

HISTORY-001 — The North Eastern Bridge Association 1935–1985

Five-page typed historical account. It is retained here as a secondary source. It contains valuable names, competition history and recollections, but should not override contemporary minutes where the two differ.

In 1930 a challenge match between Eli Culbertson and Col. Buller gave an enormous boost to contract bridge in the U.K. and the setting up of the British Bridge League further encouraged the formation of county associations and the Northumberland and Durham C.B.A. was one of the first. The Association was inaugurated at a meeting in the Chronicle Hall, Newcastle upon Tyne on the 1st of May 1935. About one hundred people were present and it was proposed that Captain Ewart Kempson take the chair. Mr. V. Ewart Berry, a director of Newcastle Chronicle Ltd., was unanimously elected President and the following were elected to the Council:-

for Northumberland -	Mrs. Haslam, Mr. I. Collins, Mr. L. Wood, Mr. R. P. Latimer, Mr. F. R. Allen, and Dr. J. Hurley.
for Durham	- Mrs. Clark, Mr. T. E. Wraith, Mr. J. Geraghty, Mr. L. T. Spence, Mr. W. E. Gladstone and Dr. MacArthur.

It was then proposed that the annual subscription be five shillings (25p) but an amendment that the subscription be two shillings and sixpence (12½p) was proposed and carried.

Under the original constitution five Districts were set up, Central, Whitley Bay, Sunderland, Middlesborough and Darlington and a league was established consisting of three teams from Central, Newcastle, West Northumberland and Central; two from Whitley Bay - Whitley Bay and Tynemouth; two from Middlesborough - Middlesborough and Stockton and one each from Darlington and Sunderland. These inter area matches for teams of eight became one of the most popular competitions for many years.

In 1936 the association became affiliated to the newly formed English Bridge Union and this fostered further competition with other county associations.

There was little organised bridge during the war years but by 1945 things were getting back to normal and a report in the minutes of a Council meeting of the 1st of June of that year showed that 43 teams had entered for the Kempson Cup competition. At about this time the name of the association was changed to its present form of the North Eastern Bridge Association.

Mr. T. S. Wraith, a long time friend and partner of Ewart Kempson became President and was succeeded by Harry Esther, who with his wife Mamie, was prominent in bridge circles for many years.

Captain Ewart Kempson died in 1966 and although the North East has produced many fine bridge players, none has attained the national recognition he deservedly had in the thirties. Although his system has largely been superseded there are many players in the NorthEast and Scotland who owe much to his newspaper articles and books.

An extract from an introduction to the sixth North versus South match by the well known bridge writer and player Hubert Phillips brings us full circle and seems a fitting tribute -

" I know of no type of contest which makes quite the same demands on stamina and morale as are made by competitive Bridge. A moment's heedlessness, a moments irresolution, and the battle can be irretrievably lost. For that reason a match as keenly fought as this is an exhilarating , and an unforgettable experience. When Ewart and I are too old for this game we shall remember the kick that we got out of it; in the spirit of the Carmān Blenkinsopiense, we shall be egging on the next generation to battles not less desperate:

It's 'Sop,'Sop,'Sop, sock 'em, Blenkinsop;
Swing the left leg across, smite true;
The ghosts of the past are with you, Blenkinsop,
Fighting alongside you....

Blenkinsop, that home of the grand manner in sportsmanship, has nothing, as they say, on the North East."

In later years the constitution of the Association was amended to have individual clubs rather than districts directly affiliated and there are now 23 clubs covering Northumberland, Durham and North Yorkshire, from Salthurn in the South to Morpeth in the North with a membership of 1150. ? Whitley

The trophies given for competition, by individuals and other bodies are some indication of the growth of the Association :-
The Kempton Cup - presented by Ewart Kempson for a knock out team competition.

The Chronicle Cups - presented by the Newcastle Evening Chronicle for pairs competition.

The North Eastern Gazette Cups - presented by the Middlesborough Gazette for pairs competition.

The Wightman Cup - presented by Mr. Billy Wightman, a well known Newcastle accountant, originally for a mens team competition but latterly for a 'Masters' pairs competition.

The Niman Israel Cup - presented by Dr. J. Niman and Dr. J. Israel for team competition.

The Sunday Sun Trophy - presented by the Newcastle Sunday Sun for an individual competition.

The King Cup - presented by Mr. King for a ladies pairs competition.

The Sinclair Trophy - presented by Mrs. A. B. Sinclair O.B.E., M.A. for competition by school teams.

The Carpenter Rose Bowl - presented by Mrs Muriel Carpenter for pairs competition every other year on the resignation of the President.

The Deane Salver - presented by Arnold Deane for a mixed pairs competition.

The Over 60's Cup - presented by Philip Landon for a senior citizens pairs competition.

The Summer Pairs Cup - also presented by Philip Landon.

The Summer Teams Cup - provided by the Association.

The Collins Cup - presented by Mr. I. Collins for rubber bridge competition.

The Esther Cups - presented by Harry and Mamie Esther for pairs competition at the annual N.E.B.A. Congress.

The Rex Cup - presented by Mr. Jack Faith a friend of Ewart Kempson, Manager of the Rex Hotel, Whitley Bay, for teams competition at the Congress.

Three other trophies for Mixed, Ladies and Mens pairs at the Jubilee Congress 1985 provided by the Association

when Harry resigned it was decided that the office of President be restricted to two years and Mrs. Muriel Carpenter, who became the North east's first National Master under the F.B.U. master point scheme, was elected.

? List of Presidents + Secretaries ?

Moving on a few years a quote from a Council meeting of January 1955 seems today to be rather quaint -

'owing to the inclement weather the Middlesbrough representatives were unable to make the journey' - to Newcastle.

and a farther quote suggests that problems were dealt with in the same way then as now -

'and it was agreed to formulate a rule for next season'

The pattern of competitive bridge at County and National level became fairly well established by the seventies. The North versus South matches were discontinued in 1954 and the major events - which are much the same now - were:-

The Scottish match - originally two separate matches against the East and West of Scotland, later a single three cornered match and finally, with the introduction of a Scottish Central district, a four cornered annual match.

The Pachabo Cup - the English County Championship for teams of four. The N.E.E.B.A. being represented by the winners of the North Eastern Cup, a league for teams of four.

The Tollemache Cup - the English County Championship for teams of eight.

Other matches are also arranged against teams from Yorkshire, Cumbria and the North West together with teams for young players and schools.

Another feature of the Bridge year is the Annual Congress. The early congresses were held at various hotels in the area but in 1954 the Zetland Hotel in Saltburn by the Sea hosted the Congress and continued to do so until its closure in 1979. The accommodation charge in 1954, for two nights with full board, was £3.5s.0d. No permanent home for the Congress has since been found but the 1985 congress at the Newcastle Moat House was a successful and enjoyable affair.

Dear Hilary

Sorry to have been
so long, you should have
given me a deadline!!

It has been impossible
to verify some dates -

ER' date of death I got
from Len Wood but I'm
not sure it's right.

The Evening Chronicle can't
verify it or even the date
the Chron. Hall burnt down.

Any editing &
amendment will be

very welcome - in fact
if you like to confine
it to the w.p.b. I don't
complain. I'm not
at all happy with it
but can't think of any
other angle - or find out
any other facts

This correspondence is important to provenance because Sugden describes the difficulty of verifying some dates and details in the historical account. It should therefore remain with the history as evidence of its limitations.

Dear John,

Herewith Jack Snyder's article which he wrote in 1984, & which certainly contains quite a bit of information about the North-South match. I thought at the time that I could add to it, & publish it to mark the fiftieth anniversary of the NEBA, but I never got round to it. There is also a photograph of the winning North team in 1935.

Would you return both the article & the photograph direct to Jack

Sugden when you have finished with
them.

Yours sincerely,
Philip Landon.
