

Dear Newbury bridge club members

Thank you very much indeed, to you for supporting us in the Macmillan charity bridge event, which was advertised on the club website.

We were delighted with the day, attended by several of you and mixing with so many others from various bridge groups. We are very pleased to inform that the profit on the day resulted in massive **£3,262.00**. Astonishing and most pleasing.

This sum could not have been achieved without your support, a heartfelt thank you.

All proceeds have been paid to Macmillan. We understand that they are not deducting costs for the food and drink, again for which we were very grateful.

Further confirm, that neither Glynne nor Jill have deducted any costs for bridge prizes or printing.

Thank you also to those who stayed behind to help us clear the hall. Massive event 90 chairs to put away let alone Sutton Hall tables.

Our very best wishes to you all.

Glynne Meadmore and Jill Beeley
