Dear John and all members at Newbury Bridge Club

Donation to Bridge for Young People

On behalf of everyone at Bridge for Young People, I would like to extend our heartfelt thanks for your generous donation of £4,867.50. Your support means so much to us and makes a real and lasting difference in the lives of the young people.

Your donation directly supports our mission to provide a safe, supportive, and welcoming environment for young people facing difficult circumstances. Through tailored one-to-one support, access to education, and pathways into employment, we empower them to build happy, independent, and fulfilling lives.

Everything we do is centred on making a real difference for those who need us most, from providing a secure home to offering meaningful opportunities for learning and work. The recent addition of our new flatlets allows us to support even more young people and offer a vital next step toward independent living, none of which would be possible without the generosity of donors like you.

Once again, thank you for your incredible support and belief in our mission. You are helping to create brighter futures, and we are truly grateful.

Yours sincerely
