

Social Committee Report
September 12 2023

The following is a summary for the year:

Expenses \$3935
Income \$270
Liquor licence for 4 events (\$600)
Christmas party subsidized by approximately ½ of the cost
We made money on summer luncheon

Recommendations and Questions

Keep the same 4 events and same format for next year BUT because of increase in numbers, to support novices/mentor games and food costs going up, an increase of 10% to our budget
Try to include Friday group in social events
If possible to book room a/b for special events
Halloween is on a Tuesday: Do an event for this day? What might that look like.
Need to increase the social committee members to include: a liquor coordinator and photographer
