

Entering Newton Flotman from the north, take a right turn into Church Road immediately before the church, there's a sign post showing Playing Field and Village Centre.
Take the fourth road to the left, Grove Way.
At the end of the road carry straight onto the driveway leading to the playing field parking area.

From the south, you will enter the village with Duffields Feed on your left, then the village green. Carry on past this and, when you see the motorcycle store on your left, indicate left as you will need to turn into Church Road after about 75 yards.
