Directions to Holton Village Hall

- Travelling from the London direction on the M40, leave at junction 8 onto the A40 and take the first turning left to Wheatley (approx half a mile). As the exit curves round take the first exit left off the ramp towards Wheatley. Proceed past Asda petrol station for 2 – 300 hundred yards to a sign and a turning right for Holton, immediately after the Farm Shop. Take that turning and then the first turning right. The road goes under a bridge and several hundred yards after that, after Brookes University entrance, is a turning left to Holton. Follow the twisty road past the Church (left) until reaching the Hall to the right shortly after. (Approx $\frac{1}{4}$ mile from the turn.)
- Coming from Oxford along the A40, take the turning signposted to Holton and Wheatley just before a bridge. At the T junction 50 yards after the turn, go left to Holton. Follow the twisting road by continually bearing to the right whenever there is any option until reaching the Hall on the left. Approx $\frac{3}{4}$ of a mile from the T junction.
