3. Chair's report: A very good year. Kathy thanked her hard working committee, Stephen keeps Kathy in order and keeps detailed accounts. Particular thanks for Sandra Nicholson, Dave Tarsky Wessex League, and Patricia Hones as TD, Joan organising Youth, Matthew & Joan and Alan as EBU Reps. Robert runs a very good promotions team. A policy on Grants and Awards is in process. We all need to look out for the future of the game. Tell people about the game of Bridge. Starter / taster sessions are a good way forward. Walingford is having one around September. We want all information up to date of the website. Kathy gave the AGM advance notice that this is her last year, she is resigning with effect from the AGM next year. She is willing to help in some small way. We can make the chair role less onerous. We wish to appoint a vice chair.... They can just do some of the things Kathy does. Perhaps two vice chairs, then one can support the other. Anyone present here willing to be a vice chair?

4. i. Treasurer's and Examiner's Report and Accounts for the year 2024/25.

ii. The treasurer recommends that our UMS contribution (1p) remains the same. Carried Nem Com

Kathy gave thanks to John Briggs.

5. Receive other Officers' reports. Attendees were encouraged to read the reports posted on the website. Each person was asked to highlight a few points:

Competitions (Stephen): very healthy with suitable surpluses. It is good that many competitions have restarted and we are encouraging more F2F. We wish a F2f teams of four league. Played by default in the evenings, so suitable for those who work. Any team can enter, not just clubs.

Promotion (Robert Proctor): first 4 items are there to read. Ref the festival. Robert Proctor had had an interesting morning. Played golf at Burford. Partners play bridge at Witney and another online at unaffiliated Club. Another player had set up a bridge club in Burford. Robert will talk to Christine Bishop about the possibility of a game at Burford Bridge Club. Hopefully the club will support an event raising money for Cancer Research. There are probably 30-40 there who play bridge and many not a member of a bridge club, This may be the case at any Golf Club and the same at Gyms. We need to ask the membership and try to encourage them to do organise something for Cancer Research in that week in September. It could be bridge or a golf and bridge. It used to be popular.... Something to be discussed in next PEST team meeting.

Youth (Joan Bennett). Joan had not mentioned Abbey's school work (the schools are up in Bedfordshire, so not sure whether this counts as OBA). Teaching the teachers in schools to teach is important. Charlie has started assisting with Youth bridge.

County Teams: (Alan / Matthew) three teams in the Midland County league. The B team won their league. Almost qualified for Tollemache. It all continues again next year. And we hope to have a 9-High league alongside this. Patricia is willing to coordinate this. So she welcomes all the details.

ACTION Update names of contacts on website.
