Step Up Bridge

For a novice a duplicate game in a club is a **big step up** from a beginners' class. For a keen club player a **step up** may be a chance to represent club or county or to enter a tournament, e.g. the EBU summer congress in Brighton. According to a bridge teachers' meeting (see Issue 26) what might give many a club player a lift is a dose of **Step Up Bridge**. Therefore OBA education officer Jonathan Price has set up a short booster programme for small groups, with its launch in Oxford but with plans to share the model throughout the county.

SUB Club sessions offer insights to players at a particular stage in their bridge development (roughly guided by NGS ratings). A pilot **SUB** session, led by **Cathy Rowland**, targeted those with an NGS of c. 45-50 %. Its focus was on hold up play and in thinking. The group loved it!

Let **Step Up Bridge** add some **spice** to your game and/or your partner's! Turn to page 2 for more details. — *David Bygott*

What new OBA event did they all enjoy on 9 Aug? What is a SUB CLUB session?

A 4♥ hand from Brighton 2014

If you missed the 2014 Congress you can still play this hand. It's from a Pairs semi-final.

Your lead on bd 30?

Mere days after her SUB session in Oxford, Ursula Bowler & partner Howard Arnes played in Brighton's prestigious Swiss Teams. On board 30 they defended against Sarah O'Connor & Mike Bell's 4NT.

The uncontested auction was: 1NT-2♠, 2♦-4NT. What would you lead from this?
