

## OXFORD CONGRESS 2024 - Directions to the Abingdon School Pavilion

The Pavilion is a new building which is not yet present in satnav systems and Google Maps. However, it is next door to the Amey Theatre. Entering this as your destination will bring you close to the Visitors parking. Do NOT enter the school postcode OX14 1DE which will take you to a spot 200m away. Detailed written instructions are given below.

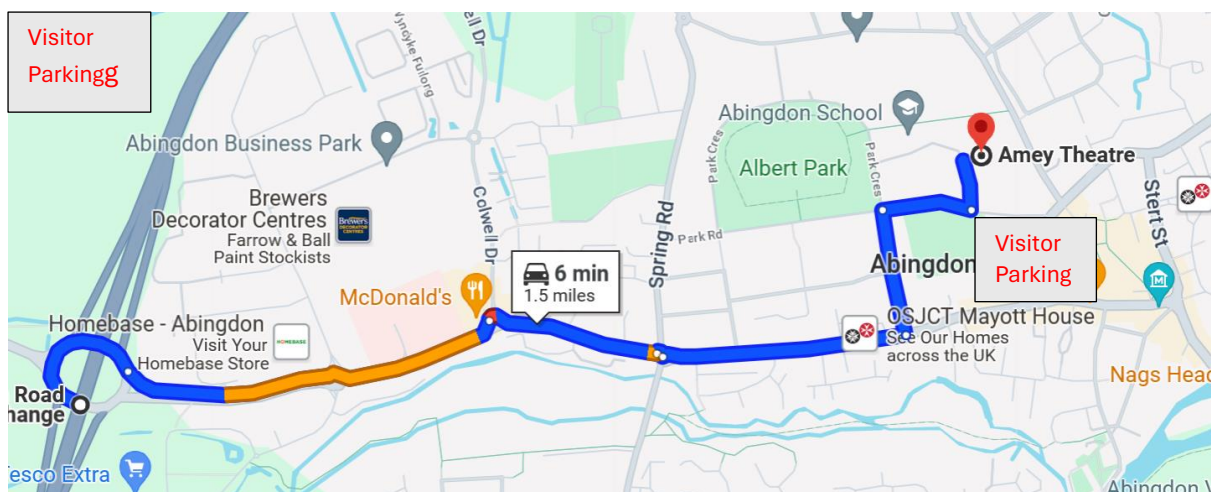

Park in the Visitors car park. Guides will direct you. Walk back to the road and through the school gates. The Pavilion is about 100m on the right, just beyond the Amey Theatre.

For those with mobility issues, there are disabled parking spaces available immediately next to the Pavilion. These must be reserved in advance by contacting the event organisers.

For those coming by public transport, the X2 and X3 bus services run every 10 minutes from Oxford centre and the X2 connects Oxford and Didcot railway stations. In Abingdon they stop at Stratton Way, a five minute walk from the Pavilion as shown in the second map.
