

COUNTY SELECTION REPORT FOR JUNE 2023 COMMITTEE MEETING

Report of the Selection Committee

1. The Selection Committee has appointed Alan Wilson to the position of Chair of Selectors for up to the next three years.
2. The Selection Committee has appointed Matthew Covill as captain for the 2023-23 season.
3. The Selection Committee has accepted the resignations from the committee of Diana Nettleton and Peter Litchfield. The Committee wishes to thank them for their contributions over recent years.
4. Matthew Covill is standing down as a representative of Oxford Bridge Club, but will continue to be a member ex officio for the coming year.
5. The Selection Committee asks that the Management Committee extend an invitation to all clubs associated to Oxfordshire Bridge Association to nominate potential members of the Selection Committee. The membership of the Selection Committee is ideally 5-6 members, so reach and experience within Oxfordshire will be considered if there are significant numbers of nominations.

The Management Committee is asked to note this report and to enact recommendation 5.
