

## **Wessex League report for OBA Committee Meeting on 28 March 2023**

The season has generally gone smoothly, with the exception of a recent problem caused by some unexpected downtime on Bridgewebs – however, this has now been resolved.

In the Main League, Divisions 2 and 4 have finished all their matches, whilst there is still one left to play in Division 1 and one in Division 4. In the Daytime League, there is also one match left to play in Division 3. However, the top position in all divisions of both leagues is already settled, so congratulations to the winning teams:

### **Main League**

Division 1 – Menagerie A

Division 2 – Oxford B

Division 3 – Banbury

Division 4 – Wallingford C

### **Daytime League**

Division 1 – Abingdon A

Division 2 – Summertown

Division 3 – Wallingford B

Assuming we continue to play matches online (which seems to be likely for the foreseeable future), we plan to make the results count for NGS purposes from next season onwards.
