

## County Teams Team Report – March 2025

Congratulations to all the OBA players playing against Warwickshire for the last match of the season. Oxfordshire won all three of its matches.

### **Midland Counties League**

In the MCOL Oxfordshire finished second first and third respectively in the Dawes Porter and Markham Leagues. This is on average at least as good as any of the other counties participating.

### **Dawes League**

The A Team have finished in second position to Gloucestershire. On the final match Sunday, a day of fine margins, this required Nottinghamshire to beat Leicestershire without having won a match all season, so thanks due to them!

### **Porter League**

The B Team have won all their matches this season and have won the division by a significant margin, so congratulations to all involved.

### **Markham League**

Although the C Team have only lost one match this season (to Gloucestershire), they finish in third position in the League. Worcestershire beat Gloucestershire by 16-4 and this was enough to win the League for Worcestershire.

Please note that we have been thanked by Warwickshire for such a good-spirited match. This is just as important as winning, so thank you to all those who played today.

The MCOL now has a short break and will resume on the second Sunday of the month (mostly) from September. Please keep your eye on the OBA website for and relevant news.

### **Inter County Teams League**

Congratulations to all of those who have represented the county in the B Division this year which resulted in Oxfordshire winning all its matches and the Division. As a result OBA has the opportunity to compete with the winning counties from the other Regions as well as the title holders from the year before - Hertfordshire. This is on 8<sup>th</sup> June 2025.

### **Tollemache Final**

Congratulations to the OBA Team that qualified for the Final in February, Unfortunately they came 8<sup>th</sup> in the final.
