

YOUTH REPORT FOR NOVEMBER 2025

I am just off to the junior camp in Dorking.

Holly's OBC group has one new boy attending

University Bridge is promising. I went to Somerville FF. This small Somerville club started with 8 players and some beginners. Going again on Monday. I have found 12 proper players from 10 colleges. They now have a What's App group.

I am trying to get them to enter the Inter-University online teams in November (see B4S). Steve Rayner took one player to OBC and they enjoyed it.

Holly's taster session was good. I am trying to have lunch with her to catch up.
