

Youth Report – AGM 2026

EBED is running a scheme by which junior bridge players who start up a university bridge club can be given an award, and also a cash incentive of £300. OBA Matched this to give an award to both Henry Huang and Linus Davies who have rejuvenated OUCBA and who has started Somerville College bridge club. They are meeting at Somerville, cooperating with each other, have entered the Portland Bowl (coming 1st), have contacted Bridgewebs to activate the old site (hoping that the historical date can be restored) and are arranging for a Freshers fair this year in October 2026. I do not think that there has been a presence at the Freshers Fair since Covid but I may be wrong.

I have helped with Junior camps in November 2025) and March 2026 and Holly has hosted in good taster session near the end of 2025. These have now been taken over by EBED and numbers continue to rise.

Holly Kilpatrick. Many thanks to her. She is standing down from Oxford Junior Bridge Club after 12 years and she is anxiously trying to find people to take over. She is finishing at the end of June so new folk will take up this post in September. [Please click](#) for a resume of the history of OJBC and the 'job description' for her replacement.
