

Oxford Bridge School

Bridge for All Taster Session

Session run by Ann Lee

Wednesday morning 10.00-12.00 6th August

This is a free taster session for our Beginners' courses. No knowledge of Bridge or of card games is required to attend the session. Come along if you wish to try out the game of Bridge and to learn more about the year-long Beginners' courses that we will be running from October 2016.

Our Beginners' course is based on the English Bridge Union's 'Bridge for All' programme. The bidding system used is Acol. 'Bridge for All' is the nationally approved method of learning the game so that students can progress from learner, through intermediate to expert.

At the start of the first term we ask you to buy your own copy of the course book produced by the EBU (£20), giving you an invaluable reference guide to bidding and play as well as extra practice exercises you can do outside the class. All other teaching materials and student notes will be included in the course fee. The course lasts for 30 weeks. Booking is now open for Term 1 (10 weeks).
