Bidding – We Double Their 1NT – They Wriggle – What Next?

Saturday morning Seminar

25th February 10:00am – 12:30pm

Tutor: John Slater

They open 1NT and your side doubles – what next? This is a difficult area where partnerships have problems. Most opponents will have a wriggle – what do your side's calls mean after that? How do you decide whether to double and hopefully collect and when to bid your own game?

Unlike the 1NT bidder, the doubler is unlimited in points and can also have a strange distribution. Often problems arise when the doubler's partner is very weak and the doubler has a non-minimum hand. This seminar will suggest ways of dealing with these situations – the key is partnership understanding.

Suitable for Intermediate+ to Advanced players
