Wednesday Evening Pairs (2022/23)

This is the final result of the Wednesday Evening pairs ladder which ran from April 2022 to March 2023. It has been changed to include all the various types of pairs events which have taken place on Wednesday evenings. To feature you must have played in at least 40% of the events. Because there have been some IMP-scored sessions, this ladder used 'positional' scoring. The lowest pair in a session score 2 and each position above scores 2 more. So you score more, say, for coming first in a big field than a small one. Once you have played in more than 16 events only your best 16 are included.
