

Membership And Communication Secretary's Report 2014-2015.

The Club membership is now 363. This may decrease slightly over the coming weeks as I chase the subscriptions. This is an increase of 10 over the year.

We have had 46 new members this year compared with 20 and 36 in the last two years respectively.

We are welcoming new members of all abilities.

About 40% of the new members had attended classes at OBL.

The committee became the Membership and Communication Committee during the year.

The majority of communication is by email and via the web site, which has been improved by Pam Eyton's attention.

A regular monthly email newsletter is edited by Richard Sills.
