1. General

Reference to the Oxford Bridge Club (OBC) within these bylaws is deemed to be to the OBC Charitable Incorporated Organisation (CIO). Any powers held by the Trustees may be delegated to the Bridge Committee (BC) or other suitable individuals.

2. Bridge Committee

The Bridge Committee (BC) shall be responsible for decisions regarding the interpretation of these bylaws, the rules of any competition within the scope of these bylaws, or any question raised by such competitions, and its decision shall be regarded as final. The BC may however decide to refer any matter to an Appeals Panel (which may be ad hoc) appointed for such a purpose by the Chief Tournament Director.

An Appeals Panel shall hear or otherwise receive appeals against decisions of any organising officials, provided that the Appeals Panel has jurisdiction over the competition or event in question as defined in later paragraphs. Should the appeal be against the decision of one of the members of the Appeals Panel then that member will be replaced by a Trustee or a suitable senior player for that particular appeal.

3. Eligibility

Any reference to "Full Members" includes Bridge for All, Foundation Life, Honorary Life, Life and Concessionary Members.

As a charity, the OBC welcomes all players to all sessions. For events other than novice events, players' speed of play must be sufficient (2 boards played in 15 minutes).

4. Visitors

Non-members are welcome to participate, but are not eligible to win competitions and trophies.

5. Sunday events

Special events may be held on a Sunday. Such events start at 1:00pm unless otherwise stated. When held face to face these events typically attract an extra fee to cover the cost of catering; the director and scorer are expected to cover this extra cost (ie they don't pay for the bridge, but do pay for the catering). When held on-line, the director only is not expected to pay for the bridge.

6. Awarding of Masterpoints

The club is affiliated to the EBU and Masterpoints are awarded at the standard rate in accordance with the EBU Master Points Handbook. Special competitions attract enhanced Masterpoints; see [OBC Pairs Competition](#) and [OBC Teams of Four Competition](#).

Late matches may incur a carry-forward penalty of minus 300 points for the offending pair. The default is that matches will be played face-to-face; matches can be played on-line with the agreement of both pairs (note that scoring will still need to be done by hand taking account of the correct vulnerability for rubber bridge).

16. Wessex League Teams

Teams shall be selected to represent OBC in the Wessex League. The aim of Wessex League representation is to field as many teams as can be comfortably maintained, such that the club maintains a presence in the league in as high a position as is possible for current members.

Appointment of captains should be made by the Teams Secretary. Captains shall be assigned to teams according to ability. Eligible players (Full Members who do not play for another club) shall be assigned to one of the teams, according to ability, normally as a partnership. Team selection should take into account factors listed below and should occur as a consultation between the Teams Secretary and the team captains, normally

as a series of individual meetings/correspondence, sometime in the early summer such that team selection should be complete by the end of July. However, every effort should be made to accommodate any players expressing an interest late.

Assignment of players to teams shall be made in as objective a way as possible. Thus, the following should be taken into consideration: performance in recent Wessex League matches, NGS standing, cross-imping for teams nights, performance in the duplicate pairs as may be indicated by the ladders; performance in external events. To this end, captains should record scores for all Wessex League matches and obtain cross-imps as an assessment of player performance. Note that NGS standing will give an indication of players' abilities in match pointed pairs play but will not reflect on teams' performance; care should be taken in its interpretation.

An effort shall be made to accommodate all willing participants in a suitable team squad, unless there is a good reason not to accommodate them; such team to be in accordance with the individual's standard.

Entry to the Wessex League shall be made by the Teams Secretary and paid for by the OBC. OBC shall normally field at least six teams in the evening league and at least six teams in the daytime league.

17. NICKO Teams

Teams shall be selected to represent OBC in the National Inter-Club Knockout (NICKO). Entry to the NICKO shall be made by the Teams Secretary or Tournament Secretary. OBC shall aim to field at least three teams. Teams will be part-funded by OBC.

Team selection should be made by the Teams Secretary. Eligible players are those who are bona fide club members and normally those whose primary allegiance is to OBC, i.e. Wessex League players. Players whose primary allegiance is to another club may be selected at the discretion of the Bridge Committee.

Interested players should inform the Teams Secretary of their interest in playing. They may put themselves forward as teams, pairs or individuals. Teams should then be selected according to suitability. The Teams Secretary reserves the right to rearrange team composition.

Occasionally, where teams have difficulty with availability of players, they may call upon OBC members who are otherwise ineligible as substitutes, provided that permission to add one or more players is obtained from the EBU Competitions Department.

18. General Rules Regarding Competitions

- b) Notice of Entry. Some competitions require pre-entry, specifically those taking place on Sundays and the Rubber Bridge Knockout Competition. Directors may delegate any of their functions, should they see fit, though the responsibility remains theirs.

C. Results

The Correction Period expires 24 hours from the scheduled start of the event. The final result shall be declared at the end of the Correction Period although the final result must be delayed pending the outcome of any appeal properly made under the OBC Bridge Appeals process.
- k) Prizes. As OBC CIO is a charity, no cash prizes are awarded if standard table money applies. However, the Bridge Committee may from time to time introduce competition prizes, such prizes to be paid for out of a supplement to the standard table money. The John Deech Competition is an exception to this rule, as it is funded by an external donor.
