Change 'Scoring' to Total points, add a description if you wish, and set the privacy options as shown above (you may allow kibitzers if you prefer, but some people find them distracting). Reserve seats for the players.

Check that all the players are logged into BBO, and then click 'Start Table – Relaxed game' to start the match.

As you play BBO will keep a tally of total points scored. The pair with the highest score after 24 boards are the winners.

When you've finished, the winning pair is responsible for letting the Tournament Secretary ts@oxfordbridgeclub.com know the result of the match.
