

## **FIND or BECOME a PARTNER on BBO PARTNERSHIP DESKS**

You can easily find a partner or offer to become a partner on your local Virtual Club or ACBL sponsored daily tournaments.

1. When you log in select FEATURED AREAS, then choose between Virtual Clubs(your local offerings) or ACBL World.
  2. If you choose Virtual Clubs you will be taken to the home page, click on ACBL North America to see a list of available clubs for you.
  3. If you choose ACBL World, you will be taken to see a list of current tournaments, running or pending, both individual & pairs
  4. In either case, you want to select Pairs & Pending Games to either find or become a partner.
  5. Click on any of the pending games only.
  6. You will see a top bar, click Partnership Desk on the far right of your screen. The number of available partners shows like this in (brackets).
  7. At the bottom of the page, click Add My Name, & I Will Pay Only for Myself & wait for an invite.
  8. To survey a player from those available on the list, you can click on their name to see if they look compatible. This does not invite them, it simply gives you the opportunity to look at the stuff they play.
  9. If you then wish to invite this person, click on the invite block opposite their name and they will accept or decline you.
  10. A Registration Successful message will appear on the bottom right screen if you have found a partner for that particular game. If you don't get this message, you can go back and invite another player.
- If you require assistance with this or any process, your Help Desk is always there to guide you through it.
