

Membership Renewal 2022

What a year! 2020-21 will certainly go down in history for all the changes wrought in our personal lives and for the many changes in the bridge world. The big switch from in-person to online games early in 2020, the permanent closure of many clubs in North America and the changes in our own club games have made many reflect on their enjoyment and commitment to the game. At Bridge on the Edge we are fortunate to have such a wonderful core membership who have supported the Executive and the club through all the ups and downs of the past eighteen months. Playing at our Virtual Club, sending supportive emails and suggestions, joining our virtual book club and (finally) returning to in-person play at the Swilers; each and every gesture has been noticed and appreciated. We sincerely thank you and hope our slow and steady growth at the in-person games continues and that we will soon be able to offer supervised play, educational offerings for beginners and intermediate players and once more have social events. The social side of the game is what makes in-person games so special.

At this time we invite you to renew your membership in BOTE for 2022 and continue to support your club, the only ACBL sanctioned duplicate bridge club in Newfoundland. Membership fees for 2022 have been set at \$25 and this can be e-transferred to our Treasurer Rick Comerford treasurer@bridgeontheedge.ca . Please use the password Swilers for your transfer.

We continue to welcome your feedback, we cannot implement all suggestions however, be assured, we do carefully consider each one. We also hope to hold an AGM as soon as it is feasible and invite you to consider whether you could make a contribution to the Executive and your club by running for office.
