

We encourage you to support a new initiative sponsored by the **Canadian Bridge Federation (CBF)**.

Online **MAPLE LEAF Games** are an opportunity to build community, engage players, and support **The Orillia Bridge Club** through weekly online games on **RealBridge**.

What is it?

RealBridge is an online platform with video and audio, and it's the closest thing to playing in person!

-

The **MAPLE LEAF Games** offer:

- **Weekly ACBL sanctioned** duplicate games every **Friday 7:00 ET**, starting **August 22**
- **0-2,500** and **Open** games (**7:00** and **7:15** respectively)
- **16 Boards** for only **\$5 Cdn** (or \$4 US for our friends to the South)!
- 2nd Friday of the month will be **24 Boards** for **\$8 Cdn** or \$6 US
- **Masterpoints** will be awarded
- Profits can be shared with **The Orillia Bridge Club**!
- **FREE RealBridge 12 Board** practice games on **Fridays 7:00 ET** July 25, August 1, 8 and 15 to help players get familiar with the platform.
- A potential **Monday evening** monthly **Maple Leaf Social Bridge night on RealBridge** with newer or more casual players in mind

How It Helps The Orillia Bridge Club:

- You can **choose up to two clubs** to designate as your "**home club(s)**" to share profits with.
- **The Orillia Bridge Club** and up to one other Club will **receive a share of the profit** from every game you play in.

Next Steps:

- **Spread the word** to your friends - all are welcome (**Canadian** and **International** players)!
- **Register** via CBF.ca to receive game links and setup support
- Let's work together to grow the game, support **The Orillia Bridge Club**, and build a strong national bridge community.
