

IMPS Scoring.

The two screenshots below show the two different ways of obtaining the IMPS score from Bridge Base Online.

The From BBO is taken directly after the last board has been played and you can see a IMPS score of 27.5 If you look closely you can see board 13 has not been scored, for a board to be scored at least 15 others must have played the board. This method is less accurate.

The From View Hands, taken the next day, shows IMPS score of 20.6. You can see all boards have now been scored. This is the most accurate method.

From BBO at end of Game

The screenshot shows the Bridge Base Online interface. On the left, the IMPS score is displayed as 27.5 (NS: -27.5, EW: 27.5). The board number is 16. The game is in progress, with the North-South partnership playing. The history table on the right shows the following data:
