- On Home Page click on **Competitive** which is under the section **PLAY OR WATCH BRIDGE**
- Under **TOURNAMENTS** click **All Tournaments**
- Find the Lancashire BPS Tournament – by moving down the list or using the Search box. **Click on it.**
- You will be asked for your partner's name. **Put in his/her BBO Username.** Be careful to get it right.
- Partner will get an invite to join. He/she needs to now accept the invite.
- Both of you will now wait until the tournament starts; at which time a table will open up with you & your partner sitting opposite each other.
- Start play. Remember whatever seat you are in at the table, your hand will always show at the bottom of the screen.
