This tournament will be starting in 101 minutes. You need a partner to play in this tournament.

Partner Invite

Play with Robot (0.25 BB\$)

If you do have a partner, invite them by typing in their username and press Invite

If you don't have a partner, you can either buy a Robot for \$0.25 per tournament (Robots only play 2 over 1) or register on the Partnership Desk or look for a partner there

Edit Tournament

If you have a partner – type in their name and invite them. Make sure your registration is confirmed.

If you don't have a partner – Register on the Partnership Desk and wait to be invited or choose a partner from the already listed ones. Alternatively, you can buy a Robot for \$0.25 to partner you.

Step 5 – Play!

Once your registration is confirmed, you only have to wait. When the tournament starts, the system will take you to your table automatically and ready to play. The software is quite intuitive, but you can practice at a random side table beforehand in order to get familiar with it.
