

2026 District Six North American Pairs Finals

October 10-11, 2026

Qualified in a NAP club game this summer between June 1 and August 31? Then come out and play in the District Six Finals. Win a chance to represent the District at the NABC finals in Dallas, TX next March. Win Red and **Gold** points close to home! The competition is divided into four separate flights, based on masterpoint (MP) levels, so players of all levels of experience have the opportunity to compete and represent the District in the National competition. All section awards are Red points; overall masterpoint awards in the Open, A and B are Gold (50% Gold/50% Red in Flight C). Financial subsidies are provided by ACBL to the top two pairs in each flight to offset the cost of travel to the NABC, and District Six augments the subsidies so every pair representing the District gets something.

The **deadline** for registration is **Thursday October 1, 2026**. Payment of \$80 per pair to cover two sessions is required at the time of registration. Players are allowed to play in more than one flight/event at the district level, but may not play in both Flight C events. Players who want to play in non-overlapping events (e.g., Flight A and B) should register twice, once for each flight. Players who wish to register for the Open but then play in flight A if they do not qualify for the Open final should contact the coordinator.

The link to the registration form is available on the District Six website at <https://www.districtsixbridge.org/nap/important-dates/>

Championship/Open - Two session qualifying Saturday October 10, Two session final Sunday October 11

One site only: Newport Mill Middle School, 11311 Newport Mill Rd, Silver Spring, MD 20902
