January 2027 Beginner Course details

The course comprises two sessions per week, one on Mondays and one on Thursdays. This makes for an intense 10 week programme but is essential to provide the necessary early foundation. The course will start on Monday January 11th 2027 and conclude on Thursday March 18th. At the end of the course, students can join 'social learning' classes on Monday mornings and/or Wednesday evenings. These provide a very positive transition, playing with other inexperienced club members, before joining more advanced club sessions.

Daytime 0930 - 1145

All daytime classes will be face to face and held in the King Centre, Barleythorpe.

Evening 1900 - 2115

All evening sessions, other than Week1, will be held online. In Week 1, students will meet each other in the King Centre and be given full instructions on how to operate the online teaching platform. If there is demand, further face to face opportunities will be made available during the course, in the evenings or at weekends.

The fee for the 20 sessions is £150 and includes refreshment for sessions at the King Centre. The fee also includes 12 month club membership.

Once the course concludes, the cost of all sessions attended thereafter is £3 and includes refreshment.
