

**MINUTES OF BOARD MEETING  
SADDLEBROOKE ONE BRIDGE CLUB  
NOVEMBER 3, 2025**

A meeting of the 2025 Board of Directors of SaddleBrooke One Bridge Club was held on Monday, November 3, 2025, at the SaddleBrooke One Activity Center.

In attendance were: Judy Landeck, President; Susan Love, Vice President; Melanie Cohen, Secretary; Sue Hagerty, Treasurer; Stewart Dresch, Member at Large; and guests Jim Wolf and Jean Peverell.

The meeting was called to order at 4:00 p.m. by President Landeck who welcomed all and introduced our guests, Jim Wolf, who has agreed to be our webmaster replacing Bob Murray, and Jean Peverell, who is running to be a member of the 2026 Board of Directors.

Jim spoke to the Board members about his role in keeping the website's content current and cosmetically engaging, as well as keeping up to date our Membership Directory. Jim explained that he would not create content but would upload any content sent to him by Board members or those designated to supply web content. He said that the website is not used by a lot of Monday players, mostly just those who wish to check game scores. Bridge Webs, our web host, allows anyone with access to the password to change or update content on the site but that he would be happy to do this job. It was pointed out that there are many phone numbers missing from our directory, and we agreed to ask Bonnie to make announcements weekly for players to update their information.

VP Love asked Jim about the possibility of hosting a workshop after the first of the year to teach interested players how to replay hands. Jim said that he would be happy to put together a program to teach players about this feature. We thanked Jim for his stepping in to help the Club, and he excused himself from the meeting.

Secretary Cohen read the Minutes from the last Board meeting held on August 4, 2025. A motion from Sue Hagerty, seconded by Susan Love, to approve the Minutes passed unanimously.

Treasurer Hagerty stated that we had approximately \$700 in the Treasury after having spent a good deal of money on the Fall party. She suggested that we not host additional events until we had at least \$1,000 in the Treasury.

Stewart Dresch, Chair of the Nominating Committee, reported that the Board needed only to replace one member, and that Jean Peverell would be slated for the 2026 Board to serve as Vice President. The Secretary will prepare a slate of officers for 2026 to be posted on the bulletin board as soon as possible. The general meeting to elect the 2026 Board will be held on Monday, December 1, 2025.

Susan Love brought up the Funday Bridge event to be held sometime after the holidays and football season, and not interfering with The Longest Day bridge event to benefit Alzheimer's. She asked the Board for their support in investigating and planning this event. Basically, it would be a HOA1 vs HOA2 challenge match where players sign up to play duplicate. The scoring would be cumulative with winners awarded prizes and "bragging" rights for winning for their HOA. There would be a fee to enter and refreshments served under the capable direction of Myla Hockelberg who will be in charge of food

and beverages. Al would serve as Director. A motion put forth by Melanie Cohen and seconded by Stewart Dresch assured the support of Monday Bridge for the event. The motion passed unanimously.

President Landeck queried the Board about doing something to thank Bob Murray for his years of service, and it was agreed that we would present him with a \$50 gift card and a thank you card to be signed by as many players as possible. Sue Hagerty will purchase the card and gift card and bring it to the game on November 10.

Sue Hagerty brought up the Activity Fair which Monday Bridge had previously participated in and asked if we intended to have a booth again. Discussion ensued, and it was the consensus of the Board that we did not benefit from previous years' events. It was unanimously decided that we would forego the 2026 Activity Fair.

There being no further business, President Landeck adjourned the meeting at 4:50 p.m.
