

Christmas Social 2023 15th December

Well, we did promise you chaos

Er ... have I got the wrong day? The first to arrive.

The place was soon buzzing.

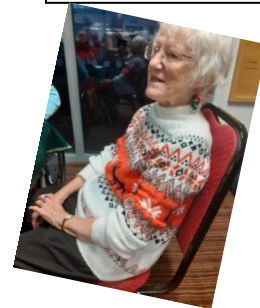

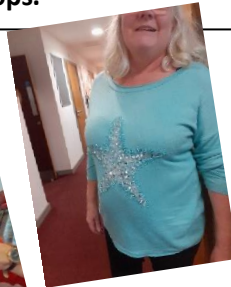

Some decided to go for the eye catching headwear.

For others it was all about the earrings! Lesley, Wendy, Eileen and Pauline.

And then there was the usual collection of eye catching Christmassy tops.

What's this? A little camera shy? Or just don't want everyone to know you've been tucking into those excellent nibbles!
