

RESIDENTS ASSOCIATION ST GEORGE'S PARK

Good afternoon, Brian

At the RA committee meeting on 16th June 2026 the subject of your First Tier Tribunal application was discussed. The email you sent me setting out your claim had been circulated to committee members prior to the meeting to give everyone the chance to read it.

I attach the minutes of the meeting, which are about to be sent out; where you will see in "Any Other Business item 9d" that it was unanimously agreed by the committee that the Residents Association would not support your action and would invite you to withdraw your application.

I am now formally inviting you, on behalf of the Residents Association, to withdraw your application.

Yours sincerely

Terry Thompsett

Chairman Residents Association SGP
