

Some Do's and Don't's for a Happy Game

- #1. Do compliment the opponents on occasion.
- #2. Do not point out how the opponents made an error and should have made the contract or set it.
- #3. Don't discuss how-to's about the last or recent hands.
- #4. Don't compliment your partner too much - it looks like gloating.
- #5. Do relax and enjoy this great game.
