(Seated by 7.15 please)	<a href="http://www.bridgewebs/stjudes">www.bridgewebs/stjudes</a>

## **St Jude's Bridge Club**

### **Details of Competitions in the Calendar of Events**

All competitions organised by St. Jude's Bridge Club are open to members of all grades provided they comply with the Rules of the Competition.

The rules for each competition will be included when players sign up to the competition and will be advertised in advance - this will include table money and rules which are applicable to 2 session events.

In some cases, a range of Trophies and separate competitions are organised on the same nights.

**February 22 and 28:** This is a Pairs Competition over 2 sessions and is a major competition. There is a trophy for each group. The trophies are:

<b>AIB Trophy</b>	Top Sections,
<b>Inter A Trophy</b>	A's and some B's (Middle Group)
<b>Club Trophy</b>	B's
<b>St. Judes Trophy</b>	Novices

**May 1 and 8 - President's Prize:** This is a 2 Session Pairs Event and is a major competition. An overall President's Prize is awarded for each separate competition.

**October 18 - John Comyn Trophy:** This is a Teams Competition over one session. Teams are organised by the Club in order to take the burden off players to field their own team. The teams play within their own grades but the overall highest scoring team wins the Comyn Trophy. Top 1 and 2 play in one competition and Inter A and B/Nov in another.

**April 3 and 10 - The PMPA Trophy:** This is an Individual Competition over two sessions. A normal competition open to members and visitors will be held on each night with the usual prizes. However, to win The PMPA Trophy, an individual player must be a member of St Jude's, must play on both nights and must play with a different St Jude's member on each night.
