Fanagan League 2022-2023

Dear Club Secretary,

It's that time of year again - time to get your Fanagan League teams together.

Fanagan League was successfully re-launched last year with 50 teams from 21 clubs. We would love to see a few more clubs give it a go this year.

Fanagan League is a fantastic opportunity for clubs to play team bridge and to visit and socialise with members of the same grade from other clubs.

We are very grateful to our sponsors Fanagan funeral directors www.fanagans.ie for their continued sponsorship and support of bridge in the Dublin South Region.
