

Opening Leads

An online seminar with

Barbara Seagram

*Tuesday
August 11
4 pm - 6 pm
(Eastern Standard Time)*

Learn to listen to the auction for clues on what to lead. When you cannot work out what to lead, work out what not to lead! Learn strategy and deductions. We will then have a quiz and then we will play some hands using the tips you have learned.

It is an exciting topic and it will take your bridge game to a new level.

Barbara has been a friend and supporter of the St. Petersburg Bridge Club for many years. She has generously offered to conduct this seminar for the benefit of the Club. Thank you, Barbara!

Just \$20! Register online at mkt.com/stpetebridge
