WHAT IS A LOCAL SECTIONAL TOURNAMENT?

A local Sectional Tournament enables smaller bridge clubs to offer meaningful competitive play, giving members the opportunity to earn higher value silver master points. It builds community engagement and provides an important bridge between regular club games and larger regional tournaments.

- ✓ Educationally focused prizes for 99ers
- ✓ A smaller, friendly tournament atmosphere, limited to under 25 tables
- ✓ Competitive play at either open tables or stratified events for players 0-299 Master Points
- ✓ A dedicated 99er section (0-99 Master Points) offered with sufficient turnout
- ✓ A partnership desk to help you find a partner if needed

CAN NON-SBC MEMBERS PARTICIPATE?

- ✓ YES! We welcome players from all clubs in our District, including Timmins, Sault Ste. Marie, North Bay, and visitors from across Ontario
- ✓ While ACBL (American Contract Bridge League) membership is mandatory, temporary membership is free and available for non-members

WHAT ARE THE BENEFITS TO ME AND OUR CLUB?
