

Camberley Bridge Club Transition Group

After running three successful transition courses we currently have no immediate plans for a further course. Instead we will be offering short teaching sessions twice monthly during our Supervised Play sessions on Monday afternoons.

However we will consider future Transition Courses if enough people register an interest via the form on our website.

The course aims to help confidence to play at club level and will cover topics such as bridge etiquette, alerting and announcing and pace of play as well as bridge topics like leads, discards/signals and use of system cards.

It's expected that those who join will already have completed a year's course of lessons as we will not be teaching basic bridge. The course is continuous so you may find it difficult if you cannot make all the sessions. However we do furnish you with the handouts if you unavoidably miss a session. To ensure you obtain maximum benefit from the course, we recommend that you aim to miss no more than one.

Each session will start with 30 minutes' tuition followed by a tea break then a gentle duplicate play session. The sessions will be held in our club venue in Camberley Cricket Club from 1.45 p.m. to 4.45 p.m. on Mondays.

Partners aren't required; if you don't have a regular partner, we'll find you one on the day.

Those already on our waiting list will be informed by email but anyone else can express an interest by clicking on the link below.
