

DORIN SALVER

This is Surrey's annual charity Sims, hosted by Clubs, in aid of the Queen Elizabeth's Foundation Brain injury centre in Banstead.

Clubs in Surrey raised £1832 last year.

We have extended the event to every day of the week this year to enable as many Clubs as possible to enter.

To add your Club as a Host for any of the days, please go to the EBU website, and click on Competitions, then Sim Pairs. Click on the day(s) of the week you wish to play, and nominate a contact at your club to receive the hands for dealing.

The cost is £3 per player per session. After the event, please send the total raised to:

Payee	SCBA	Sort Code	40-16-05
