

DETTA BENTLEY Obituary

Detta Bentley, who died in March 2015 aged 79, was an excellent player who played both club and county bridge to a very high standard. She also won many events nationally, including the National Ladies Pairs with Angela McCready in 2000.

She was also a much-loved bridge teacher, both at Wimbledon BC and on cruises.

Sadly her last years were marred by dementia, and she survived her husband Peter by only six weeks.
