Dick Wheeler made Vice President of the SCCBA

Thanks were given by President Martin Pool to Dick Wheeler who retired as Honorary Secretary and who was made a Vice President in recognition of his extraordinary contribution to the administration of the SCCBA over the last 15 years. Not only was Dick Honorary Secretary but he was also Youth Officer, Education and Charity Co-ordinator and Tournament Secretary. He is, without doubt, one of the most hard working individuals we have had on the management committee and we wish him the very best with his retirement.
