Overall not a great performance from Sussex apart from Julian and Peter who played really well

It was decided that because it was a good field we would try to field a team again, as it is a good experience for all of the pairs especially those that had not played in the Tollemache qualifier before.

### 4. Tollemache selection 12/13<sup>th</sup> November on real bridge

The committee discussed all Sussex's top pairs and this was narrowed down to Seven pairs who would be asked for availability. Emails to be sent out to all the relevant pairs and the team will be selected from the positive replies. CJ

### 5. Metropolitan Cup Sunday 27th November on real bridge

The date is Slightly better than last year as its now 2 weeks after the Tollemache so we hope that those selected for the Tollemache will not decline playing in this event.

The committee went through lists of pairs with teams experience and their results

Emails for availability are to go out to the relevant pairs and this will be done by

A team CJ
